

«We could not be happier with Academia Bilingual School! It is a relatively little school which has been growing a lot in the past few years. It is well organised, with a familiar feel, lovely premises and an amazing art studio. The teachers and the headmaster really go over and beyond to make sure all children thrive, learn and behave well. The school is inclusive and attention is given to all children, in collaboration with the families. Very recommended.»

Mother from Canton Basel-Landschaft

«Tolle Schule! Lehrpersonen, Schulleiter und Administration – alle sind super herzlich und fördern die individuelle Entwicklung der Kinder ambitioniert, spielerisch und mit viel Herzblut.»

Mutter aus dem Kanton Basel-Stadt

«We are very grateful for this amazing school. We just moved to Basel and there was a lot to adapt including learning the language. My introverted kids felt home from the first day and felt welcome. We, as parents, felt home right away as well. The teachers, the principal and staff are extremely loving, welcoming and open minded. My kids have been to three schools before this one and it is by far the best. I cannot recommend this school enough.»
